Lester B. Pearson Newsletter – April 12, 2025

Dear Students, Parents, Guardians and Caregivers,

It's hard to believe that it snowed last week. Spring sports are underway now with rugby, soccer and field hockey playing their first league matches outdoors. Indoors the school is humming along and thoughts for our 12s is turning towards graduation day. There is so much to celebrate!

Read on:

Snow is gone now and so is the eagle.

We had our first practice for track and field outside at Challenger Park.

The Grad Committee hosted Senior Sunrise 2025. Grads gathered at 6:30am to enjoy each others company, enjoy some pastries and watch the sun break over the horizon. It was a memorable Pearson moment.

Special Notice – Students on Spares:

As we enter into the last term of the year, the need for a quiet, safe and productive learning environment is crucial for student success. Students are not allowed to wander or loiter in the halls, stairwells or washrooms. The cafeteria, student lounges and the Learning Commons will ALL be quiet work areas until the end of the year. Students will only be allowed in these areas if they are doing homework or schoolwork. Students who wish to socialize, play cards or talk must go outside to the dry pond. The student parking lot will remain off limits for students during class time. No loitering in the student parking lot while classes are in session. Students who wish to be in their vehicles must leave the campus.

Notices from Students Services:

Grad List:

Student Services has completed a review of your child's Detailed Academic Report (transcript) for grades 10, 11, and 12. Based on the available data, your child is currently not meeting the requirements for an Alberta Education high school diploma. This means they may be missing two or more of the ten required graduation criteria.

To participate in the LBPHS graduation ceremonies on May 30, students must:

- Have completed or be in the process of completing at least **9 out of 10** graduation requirements.
- Be passing all required courses for graduation.
- Be a student in good standing.
-

On April 11, Student Services published the **Preliminary Graduation List**. Students whose names do not appear on this list have approximately two weeks to demonstrate that they are meeting graduation requirements.

Your child must make an appointment with their Student Advisor and show evidence of meeting graduation requirements. Students who are enrolled in online courses will have to demonstrate that they are approximately half way finished and passing these courses by meeting with their Student Advisor.

The **Final Graduation List** will be published on April 25. **No changes will be made after this date.** If you have any questions, please contact Student Services.

Course Verifications:

**Calgary Board
of Education**

**Lester B. Pearson
High School**

Lester B. Pearson High School invites you to verify your courses for the 2025-2026 academic year. As we expect our school to be 100% full in the coming academic year - This will be your final opportunity to review and request changes to these courses. Changes in September will not be possible.

To verify your classes, follow the instruction below. Instructions:

1. Log onto PowerSchool account (ensure you use the PowerSchool Website and not the App).
2. In the left hand menu, look for the section entitled 'Class Registration, click on this.

3. You will see a list of courses requested
