Lester B. Pearson Newsletter – March 28, 2025

Dear Students, Parents, Guardians and Caregivers,

Where did the time go??? Just a couple of days left for Spring Break and EID will soon be here. I am looking forward to seeing staff and students again and resuming normal activities at school. I saw some flurries this morning and the forecast is for a cold weekend. Stay warm and be comforted in the knowledge that hot weather is just around the corner. The trip to Europe was memorable. Everyone is home now. Looking forward to hearing all their stories. The number of photos taken must be in the tens of thousands. I have just a few to share with you in this issue.

Here are a few special moments from their first day in Amsterdam.

In Brussels the students loved making chocolate. Student commented on the historical architecture.

Do you recognize these iconic places in Paris??? While on the trip students also worked on the outcomes for their credit course in Intercultural Studies. Thanks to Ms. Pham, Mr. Bhandari and Ms. Laforest for the countless hours that went into organizing this trip, more than a year in the making. Our students were outstanding and appreciative of this once in a lifetime event.
