Lester B. Pearson Newsletter – May 11, 2025

Dear Students, Parents, Guardians and Caregivers,

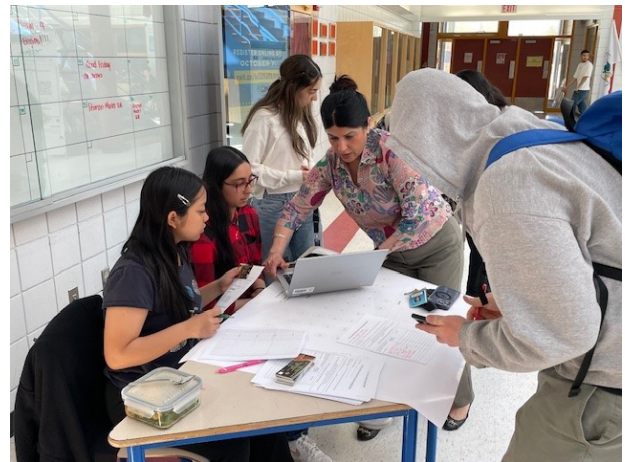

Happy Mother's Day! From a school perspective I am so appreciative of the support my school community has received from Pearson moms. Volunteering for fundraisers, baking and cooking for students, driving student to and from school, dropping off goodies for office staff (and on occasion for me), attending school meetings and events, working on committees and councils and most importantly, supporting your kids. A mother's love is unconditional and everlasting more beautiful than any fresh flower. Enjoy your special day☺

This was one of those weeks that I wish I could be at many places at the same time. Edmonton, Calgary and Lethbridge were the focal points for Pearson. Rugby, Drama, Jazz Vocal and Band, Dance and so much more happened this week.
