Dear Students, Parents, Guardians and Caregivers,

This week we enter into our full assessment schedule. There will be no classes except for ACCESS and ALP. The gym is set up and we are ready to go. Besides studying, it is important to be rested, eat well and take breaks.

We always have stories to share at Pearson, please read on:

Accompanist Gavin discussing performance details with Saleh, Naode and Nickie before their solo performances, an assessment requirement for Band. You can do anything in Photoshop.

Last basketball games before exam blackout, juniors lost to a strong Churchill team 48 - 74

Both senior teams were undefeated. It was a back and forth game but we edged out Churchill 87-86! I have no more nails, LOL.

Senior Girls defeated James Fowler 63 – 25!!! Awesome!!!

Leadership ran the concession last night and you could smell the popcorn. The food at the ATA Culinary PD Session was outstanding (and filling) Despite the old saying about too many cooks in the kitchen this was the one time having many chefs was great!!!

The Japan Trip with another fundraiser and Najla's 3D artifacts of her design and programming skills.

Simply outstanding art !!!
