Lester B. Pearson Newsletter – June 15, 2025

Dear Students, Parents, Guardians and Caregivers,

We have a short newsletter this week; we are fully into the exam schedule and credit recovery. Our ACCESS and ALP classes are still in session with support from the many curriculum areas in the school, along with a few clubs that still have activities going on too. The big news is the launch of School Parent Council's Go Fun Me to replace the very heavy, damaged and noisy cafeteria with quiet, easily movable and stackable tables and chairs. The cafeteria is no longer just a place to eat. It is the heart of the school where major celebrations, events and performances occur. Hope you can help and spread the word to former grads and families.

There are wellness messages made by students and posted around the school.

This is an actual teacher's pet, Mr. Webster's chameleon.

We held a farewell luncheon for our international students. Except for Lucas in Grade 11, all have been accepted to university in engineering and business.

Here are our PE 30 and Sports Pro classes enjoying some Muay Thai.

The Pearson Green Team was out afterschool yesterday and did another round of clean up, including the church grounds, a heartfelt service to the school. They are all great citizens.

The Rugby Selects Games happened last week, congratulations for our Pearson Select Players.

The last PE class of the year!!!

An EAL tradition, the fun awards and prize draws, such a great way to end classes.

It really warms my heart to see expressions of gratitude, wonderful smile Ms. Buchan!

ACCESS airport adventure!!!

School Parent Council Education Matters Go Fund Me:

Help us reimagine and modernize the heart of the school. The student cafeteria's furniture is old, damaged and outdated. Moving the heavy tables and chairs takes significant effort and it is done multiple times every month for special events and performances. Our goal is to replace the furniture with quiet, comfortable chairs on glides and tables on wheels that are easy to move and nest into each other for easy storage. We hope you can support this worthwhile and meaningful
