Dance, Hostel and Hike in the Rain Edition

Dear Students, Parents, Guardians and Caregivers,

It was another full week at Pearson; from the beautiful Spring Dance performances, to the PE 30 hostel trips, to track divisional, to staff walking the Ingitrails in the rain. There is a lot to share, read on:

Animation and Design 20/30 engaged in some amazing projects. Elaine's design concept centers around a Torii Gate, the Asian gateway between Heaven and Earth.

In Architecture 10, they design furniture in CAD and render it on a 3D printer. An outstanding floor plan and house design.

Our boys' rugby team played with class and determination last night. They lost to Abe but won our hearts with their spirit and sportsmanship.

If you missed the Northern Lights, here it is again in all its glory. Sent to me by a friend from the outskirts of Calgary.

For once it did not snow, rain or got smoked out for our Blue Division Track Meet. This was our largest team ever. Lots of personal bests and we have athletes moving on to cites. Will post once we get the official results.

Spring Dance was outstanding; it was a jam-packed show with most of the choreography done by the students themselves, they were outstanding! The audience was very much into the performances.
